SUMMARY

Aspiring Frontend Developer with hands-on experience in building static websites and academic projects using HTML, CSS, JavaScript, PHP, and SQL. Strong foundation in web development and database management, with a growing interest in creative media and machine learning.

SKILLS

- Languages/Frameworks: Java, Spring Boot, PHP, JavaScript, HTML, CSS
- Databases: PostgreSQL, SQL, H2
- Tools: Git, GitHub, Maven, VS Code, Composer, Canva
- Other: Python basics (data analysis, machine learning), Creative design

PROJECTS

Pokédex API and Frontend (Finals Project) | Spring Boot, Maven, Hibernate, H2/PostgreSQL, HTML/CSS/JavaScript

- Built a full-stack app with Spring Boot, Maven, Hibernate, and H2/PostgreSQL
- Developed RESTful endpoints for Pokémon data management and an interactive HTML/CSS/JavaScript interface
- Code hosted on GitHub: github.com/trishaklarona

Capstone Manukan Dashboard | Flask, PostgreSQL, Bootstrap

- Designed an analytics dashboard with charts for sales insights and branch management
- Delivered a functional prototype for academic evaluation
- Code hosted on GitHub: github.com/trishaklarona

PHP OOP Mini-Program | PHP, Composer

- Designed a small backend system using PHP OOP principles, with Order, Customer, and Payable classes using encapsulation and business logic
- Configured Composer PSR-4 autoloading for a clean project structure

Database Activity (SQL) | SQL

- Designed and executed queries with INNER JOIN, LEFT JOIN, subqueries, GROUP BY, and HAVING
- Improved data retrieval efficiency and demonstrated relational database skills

PostgreSQL CRUD Console Application | C#, PostgreSQL

- Built a console-based program in C# that connects to a PostgreSQL database
- Implemented Create, Read, Update, and Delete (CRUD) operations for a products table

EDUCATION

Expected Graduation: Year 2028

Bachelor of Science in Information Technology
Polytechnic University of the Philippines, Calauan Laguna campus

CERTIFICATIONS

Computer Systems Servicing NC II | TESDA | June 4, 2024
Competent in computer hardware assembly, installation, and troubleshooting

EXPERIENCES

- Treasurer, Haraya School Organization | Dec 2025 - Present

Managed organization finances
Produced posters, layouts, and pubmats with Canva and Lightroom, strengthening organizational branding and communication
